Conversational French Day Camp for 7 to 12 year-olds

The *Tu parles!* program is designed to help your children acquire French speaking skills that can be used inside and outside the classroom.

Our summer program boasts a true French immersion environment, adding summer camp activities to the existing structured language learning. *Tu parles!* Summer offers a healthy mix of classroom time, field trips, outdoor fun and hands-on activities such as arts, crafts, music and games.

Children will be grouped according to their linguistic proficiency. Students with higher levels are encouraged to register for Week 4, when an intermediate level will be offered. A beginner level will also be offered during Week 4 if registration is sufficient.
